TOURING RUN PROFILE No.18

PALMWOODS (RICK'S DINER)

This is a similar run to the Woodford run, in a more northerly direction, especially suited to northside and Sunshine Coast members.

Start Point :

BP, Bruce Highway, Burpengary

Sector distances and times :	km	min
BP Burpengary to Mooloolah	49	45
Mooloolah to Palmwoods	12	20

Route :

Bruce Highway to Steve Irwin Way, exit and head north. Continue north past Landsborough until the Mooloolah Connection Road, on the left past the dam and Big Kart Track. Turn left and follow into the town of Mooloolah. Cross railway line, then turn right into Neill Road to head to Eudlo. Turn right under the railway bridge, then into Knox Road to continue north. Follow this road over the range, and down into Eudlo township. Turn right at Corlis Avenue in Eudlo, and follow out of town. Continue along Eudlo Road to T Junction at Chevallum Road, turn left. Now in Palmwoods, turn left onto Woombye-Palmwoods Road at the railway underpass. Cross under the railway line, then left into Margaret Street and left (straight ahead) into Main Street. Continue on Main Street until Dunning Street, and turn right. Follow this street all the way to Montville Road. Turn right at Montville Road. Head into main part of town, climbing uphill. At the top of the hill in town, on the left, is Rick's Diner at 14-16 Margaret Street.

Cautions :

Turning right into Neill Road at Mooloolah (over railway line). Old Gympie Road on Eudlo Range is not a T junction, just follow around to left. Loop in Palmwoods is so car orientation is reversed, and don't have to cross islands in front of Diner. Dunning Street intersection with Montville Road has limited view to right.
