

# PONTIAC CAR CLUB QUEENSLAND

## TOURING RUN PROFILE No.29

### GREEN FROG HOLLOW/ CANUNGRA

This is a half day run of medium distance, particularly suiting southside and Gold Coast members. Features stop at Green Frog Hollow Café & Nursery just south of Logan Village.

Start Point :  
BP, Yatala

Sector distances and times :	km	min
BP Yatala to Green Frog Hollow	22.5	40
Green Frog Hollow to Canungra	30	30

Route :

Depart BP Yatala and head north along Henry Hester Drive towards Beenleigh. Pass Beenleigh Tavern and turn left at roundabout to join Main Street and proceed under Highway. Straight at next roundabout and continue west. Now in Milne Street continue and pass Beenleigh Showgrounds on right. At roundabout (approach in right lane), take the Hammel Street exit ('Waterford/ Logan') which is just to the right of straight ahead. This is NOT the right turn we used to make to go into the Showgrounds! Continue north to Roundabout, approach in left lane, turn left onto Logan River Road. Continue straight down this road. After a couple of km the road starts to turn to the right heading uphill, when you see Woolworths don't turn off into the shops but take the second left exit for the intersection ahead. This is Gardiner Road. Head south around 1km, then turn right onto Dairy Creek Road, at a dip in the road. Head west on this for 3km until T Junction with Waterford-Tamborine Road. Turn left. Pass through Logan Village township and continue 3km south. Green Frog Hollow is on the right with parking out front.

See <http://www.cruzin.com.au/2017/11/08/green-frog-hollow/> for write-up on attraction.

Depart Green Frog Hollow and continue south 11km to Tamborine Village. Turn right for Beaudesert at the main roundabout. Head west 3km to Mundoolun Connection Road (for Canungra). Turn left. Follow road south to Canungra. Turn right into Kidston Street, veer right, pass pub on left and turn left (still Kidston Street). Parking on the right.

Cautions :

Beenleigh Showgrounds roundabout, as not the exit people are used to.

Don't use Hammel Street shortcut as limited visibility under railway overpass, especially for LHD cars.

Dairy Creek Road is not well marked, slow after turning to alert others of turn.

Green Frog Hollow only one break in double white lines to enter, use same to exit

Canungra cross traffic to enter Kidston Street - this created a traffic jam in 2018, but cars at the rear diverted into another street to access it from the east end
