History :

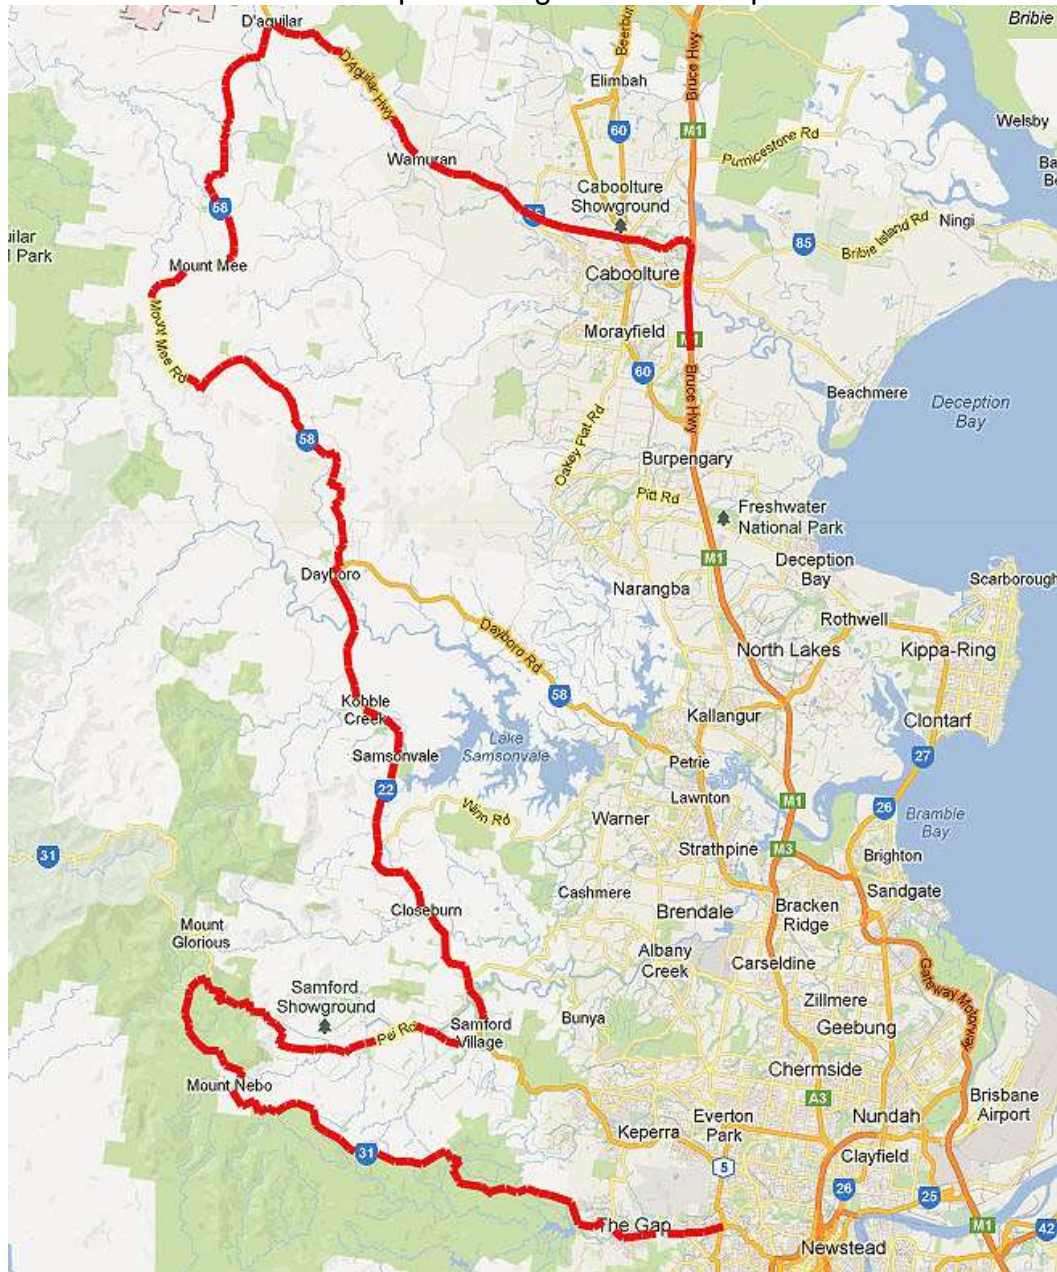

28/4/13 - 2013 Touring Run, 20 cars (all Pontiacs)

Parking was very limited at Samford, far end of Station Street was one option, although individual parks were available for a few. Cash Avenue North may be another option, otherwise just search for individual parks in a wide range of areas.

**A better strategy for visiting Samford was later found to be attending the annual June car show with the cars on display in the main park, and walking to the pub for lunch.**
