TOURING RUN PROFILE No.2

CANUNGRA via BEECHMONT

This is a half day run of medium distance, especially suited to Gold Coast, southside and Northern NSW members.

Start Point : Shell, Pacific Motorway (M1), Mudgeeraba Exit 79

Sector distances and times :	km	min
Shell Mudgeeraba to Roison's Beechmont	32	45
Roison's to Canungra	20	27

Route : Turn left out of servo and follow Highfield Drive through lights to roundabout. Turn right at roundabout and head over M1 into Mudgeeraba. Turn right at roundabout and head north on Mudgeeraba Road. Continue for 2km and turn left at Worongary Road, the second set of lights (showgrounds corner). Follow Worongary Road for about 6km. A regroup stop has been used at Gilston School (carpark on left hand side). A set of lights are here. The third left after the School is the next turn. Evanita Drive is the proceeding street on the right. Turn left at Hinde Road and follow to T junction. Turn left onto Latimers Crossing Road and follow to T junction. Turn right onto Nerang - Murwillumbah Road. Follow for 1km past the caravan park and one street on left, then turn left onto Beechmont Road. Follow Beechmont Road to Roison's Lookout. Stop for break if likely to fit in. Depart Roison's, proceed through roundabout at Binna Burra Road. Continue down the other side past the Army Camp to the Beaudesert - Nerang Road. Turn left and follow into Canungra. Turn left at Kidston Street. Proceed past pub and turn left into continuation of street for parking. To leave, do loop back to Kidston Street.

Cautions : Some have turned onto Tallai Road (first set of lights) instead of Worongary Road (second set) leaving Mudgeeraba. Park in two rows at Roison's. If it is full already, bypass.
