Route :

From South

Depart servo, exit from Brisbane Valley Highway and loop over road. Continue through Fernvale into Esk for stop. Can park in main street or behind in carpark off Highland Street Post Office corner (which exits back into main road). Continue to Toogoolawah, just past town and turn left at Ramblers exit (brown sign), down dirt road for 500 metres to facility.

From North

Bruce Highway north to turnoff, D'Aguilar Highway to Woodford, stop in Archer Street parallel to Highway from George Street intersection west, continue through Kilcoy to Harlin, turn left and head south to Toogoolawah. Just before town turn right at Ramblers exit (brown sign), down dirt road for 500 metres to facility.

Cautions :

From South

BV Highway is now an overpass unlike in the past. Stay in left lane to exit onto. Slow through Fernvale. Turnoff into Ramblers is off 100km/h zone and straight onto dirt. Dirt road goes for 500 metres and has many potholes and low points. Not advisable unless they do more work on it.

From North

Care required at Caboolture to ensure correct route taken to Woodford. Take the Caboolture exit, but stay on right hand side, avoiding the Caboolture and Bribie Island exits to head north. If miss, head north to Pumicestone Road, exit and head across to Caboolture to rejoin D'Aguilar Highway. Turnoff into Ramblers is off 100km/h zone and straight onto dirt. Dirt road goes for 500 metres and has many potholes and low points. Not advisable again unless they do more work on it.
