

# PONTIAC CAR CLUB QUEENSLAND

## TOURING RUN PROFILE No.9

### KINGSCLIFF VIA MOOBALL

This is a half day run of medium distance, especially suited to Gold Coast and Northern NSW members.

Start Point : Shell, Pacific Motorway (M1), Mudgeeraba Exit 79

Sector distances and times :	km	min
Shell Mudgeeraba to Murwillumbah	51	40
Murwillumbah to Mooball	19	20
Mooball to Kingscliff	28	35

Route : M1 to Tweed Valley Way, continue to Murwillumbah, straight through roundabout and continue over range to Mooball. Rest stop at Moo Moo Café (park both sides). Reverse direction, turn right at Pottsville Road and head north. Turn right at T junction and head into Pottsville. Follow Tweed Coast Road north through Hastings Point and Cabarita. North of Cabarita there is a long straight. At the point where this starts to head to the left, turn right at The Coast Road, into Casuarina. Turn left at the roundabout and follow Casuarina Way north. A number of roundabouts are encountered. The road then passes through a nature reserve and over Cudgen Creek into Kingscliff. It becomes Sutherland Street. This road curves around to the left and reaches a roundabout at Seaview Street. Turn right here into Seaview, then left at the next corner, Marine Parade. Follow Marine Parade, passing the beachfront caravan park on the right, with the entry to the Bowls Club immediately after this. The carpark has some severe speedbumps - park at north end.

After lunch, exit carpark (turn right), follow Marine Parade until it turns left to become Wommin Bay Road, head under Highway, turn right Phillip Street, right at Waugh and left onto Highway.

Cautions : Inform participants to be in the left lane after Banora Point to enable them to exit at the Tweed Valley Way. **Check with Bowls Club re surf carnivals, as the surf club shares the area, which will use up all of the parking. No alternative parking is available.** Daylight Saving Time (first Sunday of October to first Sunday of April) needs to be considered in planning and booking.
